

**Week 11: Garden Stories**

Luke 13:1-9

Inspect — Indictment — Intercession — Infusion

The tree didn't have a leaf problem or a branch problem, it had a \_\_\_\_\_ problem.

The fig tree symbolized \_\_\_\_\_ and the vineyard symbolized the \_\_\_\_\_ in which they lived.

Jesus had come to take care of their deepest root problem: \_\_\_\_\_.

A time of \_\_\_\_\_ has been allowed to \_\_\_\_\_ and to transform.

\_\_\_\_\_ was their day of salvation.

We must cry out to the LORD for Him to work in our \_\_\_\_\_.

We must ask Jesus to dig around us and \_\_\_\_\_ us with His \_\_\_\_\_.
